

CALIFORNIA WATER ENVIRONMENT ASSOCIATION

SANTA CLARA VALLEY SECTION

TRAINING MEETING – May 20, 2015

Topic :

SVCW Environmental Services PreTreatment/FOG/Pollution Prevention Communicating to Get the Job Done

Speaker : Norman Domingo, Director, Silicon Valley Clean Water

Norman Domingo, the current director of Environmental Services has been working in Pretreatment and Pollution Prevention for over 25 years. He has helped to develop the FOG and Pollution Prevention Programs at SVCW and survived many Pretreatment Enforcement cases. He will be speaking on how communication is an important part of getting the job done. The talk will center on how communication has helped when following up on Pretreatment enforcement cases dealing directly with Food Service Establishments/FSE's and getting the Pollution Prevention word out through SVCW's award winning Sewer Science Program.
