CAREER FAIR

20+ Bay Area engineering, consulting, & public agencies looking for interns & entry-level engineers!

**THURSDAY
FEBRUARY 9th, 2017**

Panel of Wastewater Professionals: "Start to Finish: Working in the Wastewater Industry at Different Stages"

The wastewater industry is a group of professionals who work together to design effective collection infrastructure and treatment plants, collect and treat the wastewater, and regulate how this is done for the protection of public health and the environment. A panel of young, mid-level, and senior professionals representing various sectors of the wastewater industry (engineering, collections, operations, laboratory, etc.) will provide valuable insight on what the wastewater industry is and how to break into it.
