

**CALIFORNIA WATER ENVIRONMENT ASSOCIATION
SANTA CLARA VALLEY SECTION**

**DINNER MEETING
June 15, 2017**

Topic: Contaminants of Emerging Concern (CECs)
Join us this month for our CEC Dinner Meeting.

This month's meeting will cover "Contaminants of Emerging Concern (CECs)- The San Francisco Bay Story". Receive an updated summary of the latest data of the San Francisco Bay and Publicly Owned Wastewater Treatment Plants, Learn more about pollution prevention efforts to reduce CECs.

You'll want to join us for this current topic.

Speaker: Karin North

Karin North is currently the Watershed Protection Manager for the City of Palo Alto. She ensures the City complies with environmental regulations that impact the wastewater treatment plant and storm water. She stays abreast on emerging contaminants entering the Bay, as co-chair for the steering committee of the Regional Monitoring Program. Ms. North has worked in the environmental field for the local government for more than 15 years. Ms. North has a Bachelor's degree in Environmental Science and Hydrological science and a Master's degree in Environmental Science Management from the University of California, Santa Barbara.
