***This is the third in a series of 6 sessions.** The speaker shall present the TNI 2016 Standard, Rev 2.1 along with a summary of key points. A copy of the TNI 2016 Standard, Rev 2.1 will be projected on the screen for individual clause training with an emphasis on troublesome requirements for small laboratories during the implementation phase. Best practices for aligning with the Standard in a small laboratory will be presented. Tools and resources for efficient implementation will also be discussed. Each attendee must bring their own copy of the TNI 2016 Standard, Rev 2.1, to follow along and take notes. A power point presentation summarizing key points and challenges for small laboratories will be provided as part of the training material for session 3. Pages from the TNI 2016 Standard, Rev 2.1 of the clauses planned for discussion with notes will be provided. Open discussion and questions will be encouraged throughout the training. Future TNI sessions will be scheduled for topics not covered in today's presentation. (Save the date: September 18th 2018 for session #4).*
