SANTA CLARA VALLEY SECTION**

**DINNER MEETING
May 17th, 2018**

Topic: Expanding Water Reuse in Santa Clara County

General info:

The Santa Clara Valley Water District is undertaking a comprehensive countywide master plan to facilitate the integration and expansion of recycled water (non-potable reuse) and to plan development of potential potable reuse projects using purified water in partnership with recycled water producers, wholesalers, retailers, users, and other interested parties. As the project manager, Luis will discuss the goals of the planning effort and where the District is heading in the future with water reuse efforts.
