

California Water Environment Association

Santa Clara Valley Section

DINNER MEETING

February 21, 2019

It's Grillin' Time!

SVCW Sponsored Annual BBQ

Topic: Water Technology Alliance Building Efforts with the USA

Speaker: Jesper Elkjaer with Water Technology Alliance

Come learn about Water Technology Alliance and how they provide Danish solutions within water technology. SVCW has been a partner in the WTA since 2017, has participated in WTA Information Exchange Trips to Denmark, has purchased and installed innovative technologies in automated valve actuators and online liquid phase H₂S sensors. SVCW is currently working with DHI, a Danish engineering firm, to see if SVCW can nitrify and denitrify in their current infrastructure using Danish Process Technologies. SVCW will share its positive experiences working with the WTA and Danish Companies.

Where: Silicon Valley Clean Water
1400 Radio Rd, Redwood City, CA 94065

When: Thursday February 21, 2019
4:30 – Social Hour at the Grill House*
6:00 – Dinner - BBQ
