

## CWEA SCVS Lab Committee presents

### The first steps to implementing the TNI 2016 Standard, Rev 2.1 – Session #6

Session #6 will cover V1M4 Quality Systems for Chemical Testing, V1M5 Quality Systems for Microbiological Testing, V1M7 Quality Systems for Toxicity Testing.

By

**Diane J. Lawver**

**Quality Assurance Solutions, LLC**

*This is the sixth in a series of 6 sessions. The speaker shall present the TNI 2016 Standard, Rev 2.1 along with a summary of key points. A copy of the TNI 2016 Standard, Rev 2.1 will be projected on the screen for individual clause training with an emphasis on troublesome requirements for small laboratories during the implementation phase. Best practices for aligning with the Standard in a small laboratory will be presented. Tools and resources for efficient implementation will also be discussed. Each attendee must bring their own copy of the TNI 2016 Standard, Rev 2.1, to follow along and take notes. A power point presentation summarizing key points and challenges for small laboratories will be provided as part of the training material for session 6. Pages from the TNI 2016 Standard, Rev 2.1 of the clauses planned for discussion with notes will be provided. Open discussion and questions will be encouraged throughout the training.*

#### Schedule:

**Date:** Tuesday, February 19<sup>th</sup> 2019
