Planning in a Risk Rich Region

Topic: Planning in a Risk Rich Region

Speaker: Michael Germeraad, ABAG and MTC

Come learn about how we can plan in a risk rich region. Michael Germeraad is a resilience planner for the Association of Bay Area Governments (ABAG) and Metropolitan Transportation Commission (MTC). He supports Bay Area cities with hazard mitigation, climate adaptation, and resilience planning efforts. His work and past research has focused on infrastructure vulnerability assessments and connecting sustainability and resilience policies. In 2019 he is working to integrate resilience into the next long range regional plan for the nine-county Bay Area. You can follow the Resilience Program @ABAG_Resilience and Michael @Get2Resilience on twitter.
